PORTFOLIO.

HELLO.

INTRODUCTION.

I'm Md. Shakhawat Hossain, a results-driven Digital Marketing and SEO professional with hands-on experience in growing organic visibility, optimizing conversion paths, and supporting paid acquisition strategies.

I've worked service-based businesses, helping brands improve search presence, user engagement, and overall website performance through data-backed marketing strategies.

I focus on building scalable systems combining SEO, CRO, Google Ads, and email marketing—to support long-term growth rather than short-term wins.

Core Skills

- SEO: keyword research, on-page & technical optimization, topical mapping
- Conversion Rate Optimization (CRO) & user behavior analysis
- Google Ads campaign setup and optimization
- Email marketing & automation using Mailchimp
- Analytics & performance reporting (Google Analytics, Search Console)
